PENN WOOD CAMPGROUND PRESIDENT'S MESSAGE

Hello Everyone,

We have been very busy this Summer. As usual, the park looks beautiful and the feedback from off-the-road folks has been great. Thank you to everyone that works very hard to make our park one of the *best* Airstream parks to visit or be a member of. We all work well together and the effort shows.

This is my last *Itchy Hitch* as I'm stepping down from the Camp Board. Being the President of Penn Wood for the last five seasons has been a pleasure. The Board that I have served with has made my job very easy. We have solved problems, agreed to disagree and always came together with the answer that was best for the park. I thank the Board for their patience, kindness and friendship that made me a better person to serve as President. Thank you to the members for trusting me and having faith that I could continue to serve on the board.

I am looking forward to supporting the next board and hopefully the membership will do

the same. We all want the park to remain as wonderful as it is.

Sincerely,

Rory Fagan
Penn Wood Campground President
